

New Deal for Youth 2023 Week of Action - Virtual Action Toolkit

Intro

Join the New Deal for Youth Changemakers Sunday, November 12th - Tuesday, November 14th for our New Deal for Youth Week of Action. You can join us in person in Washington, D.C. or virtually through our online action hub.

The New Deal for Youth Policy Platform advances radical and interconnected policy ideas that transform current systems and center racial, gender, and social justice. Our policies seek to redefine whose expertise, experiences, and systems of knowledge are valued and understand that young people not only deserve a seat at the decision-making table, but that we can also shake the table and create the menu.
